Reference: July Quarterly Report (4/1/10-6/30/10)

Dear Sir:

This letter is in response to your letter of November 4, 2010, regarding the matter of reference.

Your letter requests that we provide additional information regarding three matters:

- 1- the discrepancy between the beginning balance in the July Quarterly Report with the ending balance of the April Quarterly Report.
- 2- Debts with outstanding balances included in Schedule D that do not appear in the previous report.
- 3- A discrepancy between the debt owed Arco Publicidad according to the July and April reports, when both numbers should be the same.

We will address the three matters together as all have as a common cause a technical glitch.

Between the April and July reports the committee attempted to install the filing software's upgrade as required by the FEC. Since the computer being used for this purpose dates back to 1999 (the year of the campaign), the installation process revealed that we needed to upgrade the computer's system software as well.
